

# 2016 SONS OF EDEN STUDIUM SAGRANTINO

---

## SONS OF EDEN, BAROSSA VALLEY, AUSTRALIA

### THE WINE:

100% Sagrantino from a single vineyard in the Keyneton sub-region of the Eden Valley with an average vine age of 25 years old. The grapes are hand picked and destemmed and cold soaked for five days. The wine is aged for 15 months in 500 liter French oak barrels. Bottled without filtration.

### THE ESTATE:

Sons Of Eden was born from a simple philosophy to produce wines of unique personality and flavor from vineyards of unique character and pedigree. A partnership of two men; Corey Ryan a winemaker and Simon Cowham a viticulturist, whose lives had been spent in and around the cellars and vineyards of the Eden Valley, gave rise to Sons Of Eden. Tapping into the vast resources and knowledge of Simon Cowham, the winery sources grapes from Barossa and Eden Valley's best vineyards. Under the highly skilled guidance of winemaker Corey Ryan, this precious fruit is gently transformed into beautiful and unique bottles of wine. Corey's experience as winemaker for the iconic Henschke Winery coupled with his passion for Barossa wines have produced the results held within these truly brilliant bottles.

### TASTING NOTES:

**Color:** deep ruby-garnet

**Aromas:** intense, smoky blackberry and blueberry fruit with dried herbs and violets

**Flavor & Texture:** ripe black fruit and subtle coffee flavors are woven together with powerful, yet refined tannins

**Food Pairing:** smoked tri-tip with a coffee and spice rub
